CAMP ON THE HORIZON - SAVE THE DATE

FAMILY CAMP AND MILE HIGH SUMMER CAMP REGISTER BY JULY 2ND

Summer is here and camp season is right around the corner! Throughout the past year we have been connecting together virtually and we are excited for the opportunity to be in person once again. As the world has continued to change Chapter Staff has worked diligently in order to find a path to providing a safe and FUN camp experience. Although we won't be implementing a traditional summer camp in this summer, we have designed a variety of activities to give both families and campers the opportunity to come together IN PERSON to experience some elements of camp in a safe and socially responsible way. Activities will include something for all ages and family sizes!

We are pleased to announce that our 2021 Summer Camp Program is finally available! Throughout the summer we hope you join us for both in person and virtual camp fun! NHF Staff and Camp Medical Team came to this decision after carefully reviewing data and guidance from the [Centers for Disease Control \(CDC\)](#), [American Camp Association \(ACA\)](#), and [Association of Camp Nursing \(ACN\)](#). Using guidelines from these organizations and our local partners, we have developed a series of protocols that will allow us to safely host Family Camp in-person. Please use the dates below as placeholders as we continue to navigate and work under the always changing event guidelines.

CAMP COUNSELORS NEEDED**

Are you interested in helping campers grow and learn within the bleeding disorder community? Here is an opportunity for you! Spending time out of your summer as a Bleedership Counselor OR camper at Mile High Summer Camp is a rewarding opportunity that can change your life forever.

The 2021 Camp Program will provide community members affected by bleeding disorders an opportunity to bond with their fellow community and peers through a series of virtual and in-person fun! We are looking for interested individuals to serve as a leader in their community by being involved with the Bleedership Program. Here you will have the opportunity to engage and lead younger campers in a series of different activities. Interested in getting involved? Contact Hanna at hbeary@hemophilia.org to find out how!

SCHOLARSHIPS

NEW APPLICATION FORM!

DUE JUNE 18TH

NHF Colorado is proud to award two scholarships annually to those in the bleeding disorder community to help further secondary education. This year the Scholarship Committee is excited to announce there is a new application! The new condensed PDF application will provide a sense of ease while completing and submitting the form. This will help you as the applicant to make the most of your time as you are preparing for the next steps. By completing one application you will be considered for both scholarships.

The two scholarships are available to anyone who meets the criteria listed, to [find out more about the criteria visit our website](#). Preference will go towards first time applicants - though that does not mean a returning applicant cannot receive the scholarship as well.

Unite

for Bleeding Disorders

The NHF Colorado community came together on Sunday, August 23rd in support of our first-ever virtual Unite for Bleeding Disorders Walk – thank you to everyone who contributed to the success of this event! Whether you fundraised, donated, secured a sponsorship or simply shared the event with your friends and family, your hard work paid off and made a BIG impact. Together with sponsorship and anticipated matching gifts, you raised an amazing \$42,724 – we are so grateful! Each donation made will stay local to Colorado and go to programs such as year-round advocacy efforts, tailored educational events, and scholarships for community members. **THANK YOU!**
